# Welcome

**WE'RE SO GLAD YOU'RE HERE!** Thanks for joining us today! We don't want to miss the opportunity of connecting with you. So, whether you are visiting for the first time or are a regular attendee please take a moment to fill out the *Blue Connection Card* in the seat pocket in front of you. Please return it to the seat pocket or leave it on your seat.

If you would like to give toward the ministries of Crossroads Church, please place your gift in one of the Tithes and Offerings Boxes located at each Worship Center exit. Online giving is also available on our website at [www.crossroadsefc.com](http://www.crossroadsefc.com)

**Looking for more information?** If you'd like to learn more about something you heard during Crossroads announcements regarding upcoming events or the ministries at Crossroads, please visit our Welcome Center Kiosk located in the Connection Area or visit our website at [www.crossroadsefc.com](http://www.crossroadsefc.com).

## We wanted you to know that...

- Assisted hearing devices are available during our services at the Welcome Kiosk.
- Binders with printed lyrics are available on the back tables in the Worship Center.
- Once a worship service has begun, we ask that all entering and exiting the Worship Center use the east or west doors (not the center, please).
- Misplaced something? If so, please check the Welcome Kiosk for lost & found items.

In order to make our services available online and in other locations, photography and video recordings may take place while you're here at Crossroads. Your presence signifies your consent for Crossroads Church to use your image. Thanks for your cooperation.

## marriage moment

Roots anchor. Roots give identity, belonging, and a heritage. Healthy roots provide stability, security, and life.

Without roots, we drift.

When we understand and embrace the "in the beginning" roots of marriage, families live anchored, giving "purpose, order, and design" (Pastor Scott) to what our enemy relentlessly seeks to dismantle. Spend time as a couple discussing:

- Your roots, the good, the not so good, even the lack thereof, and how you plan to strengthen the good and, perhaps, put down some new roots.
- How has the world and lifestyles of the popular culture crowded out the healthy, godly roots in your life, and how has your life and home been impacted?
- How would your children define marriage from your example?

## announcements
