Welcome

WE'RE SO GLAD YOU'RE HERE! Thanks for joining us today! We don't want to miss the opportunity of connecting with you. So, whether you are visiting for the first time or are a regular attendee please take a moment to fill out the *Blue Connection Card* in the seat pocket in front of you. You may return it to the seat pocket or place it in the box on the back table.

If you would like to give toward the ministries of Crossroads Church, please place your gift in one of the Tithes and Offerings Boxes located at each Worship Center exit.

Looking for more information? If you'd like to learn more about something you heard during Crossroads announcements regarding upcoming events or the ministries at Crossroads, please visit our Welcome Center Kiosk located in the Connection Area or visit our website at www.crossroadsefc.com.

We wanted you to know that...

- Assisted hearing devices are available during our services at the Welcome Kiosk.
- Binders with printed lyrics are available on the back tables in the Worship Center.
- Once a worship service has begun, we ask that all entering and exiting the Worship Center use the east or west doors (not the center, please).

Faith community nursing

Can you believe it's July??? Summer means fun in the sun, but we need to be aware of the possibility of over-heating.....heat exhaustion can occur in adults and children if we are not careful, and can lead to heat stroke, a medical emergency. The first sign is cramping in the legs, and if that occurs, **cool off and drink fluid** until it goes away. Cramping is a sign that the body is losing salt and electrolytes. Cramping and light sweating gives way to more profuse, heavier sweating, feeling lightheaded and a little nauseous, and if you hit heat stroke, your body stops sweating, and can no longer cool itself.

Some of the signs of heat stroke include: red, hot, dry skin; rapid pulse; throbbing headache; confusion; dizziness.

Let the body cool down naturally in early stages of heat exhaustion, but if you miss the signs and it progresses, put ice packs on the groin, armpits and neck where blood flows close to the surface. Other ways to cool the body include immersing the body in cool water, placing the person in a cool shower, or wrapping the person in a cool, wet blanket. For more summer safety tips visit www.cdc.gov

announcements

- Crossroads is having a **baptism celebration** on July 17th at 2:00 pm at the LifePlex pool. If you feel God is prompting you to pursue this step in your Christian walk, please mark your connection card and details will be mailed to you.
- Please note that the **church office will be closed** on Monday, July 4th in observance of Independence Day.
- **The Crossroads Missions Team** is announcing that our next mission trip to Haiti is now scheduled for the week of January 28 – February 4, 2017. This team will minister primarily at the medical clinic in Pillatre, Haiti in cooperation with Haitian Christian Ministries. Applications are available at the information kiosk in the lobby. For more information on this trip, contact Joel Schumacher or Pastor Collin.
- **Calling all who would like to pray!** Faith Community Nursing is sponsoring "Prayers for Strength and Refreshment" – a time of coming together with others to pray.....a time of praise, sharing and studying Scripture; a time to meet with others to PRAY BOLDLY for ourselves and others. Come join us the 2nd and 4th Mondays of each month, 1:30 pm – 3:00 pm, here at Crossroads in Room 104.

love week 2016 - making an impact!

A big thank you to those that served during one or more of the Love Week 2016 projects! Based on the feedback we've received thus far we were able to impact our community for Jesus!

Would you like to "**Do More**" with one of the organizations that you served during Love Week? Then make sure to check out the "Do More" display at the Love Week Registration Table. We have additional information about the organizations, their contact information and ongoing volunteer opportunities for you. Check it out!

Women's Care Center Donations - If you have signed up to donate a baby gift bag for Love Week, please remember to drop off your items at the church office by Tuesday, July 5th.

Donate Items to Operation Christmas Child for Love Week and beyond! Check out the OCC display in the Connection Area! Make an "impact" on kids from around the world! We'll be taking donations until Sunday, July 24th!

Thank you to all of our Project Facilitators. They did a great job coordinating the project work while on site for each of our 40 projects throughout the community this past week!
