Welcome

WE'RE SO GLAD YOU'RE HERE! Thanks for joining us today! We don't want to miss the opportunity of connecting with you. So, whether you are visiting for the first time or are a regular attendee please take a moment to fill out the *Blue Connection Card* in the seat pocket in front of you. Please return it to the seat pocket or leave it on your seat.

If you would like to give toward the ministries of Crossroads Church, please place your gift in one of the Tithes and Offerings Boxes located at each Worship Center exit. Online giving is also available on our website at www.crossroadsefc.com

Looking for more information? If you'd like to learn more about something you heard during Crossroads announcements regarding upcoming events or the ministries at Crossroads, please visit our Welcome Center Kiosk located in the Connection Area or visit our website at www.crossroadsefc.com.

We wanted you to know that...

- Assisted hearing devices are available during our services at the Welcome Kiosk.
- Binders with printed lyrics are available on the back tables in the Worship Center.
- Once a worship service has begun, we ask that all entering and exiting the Worship Center use the east or west doors (not the center, please).
- In order to make our services available online and in other locations, photography and video recordings may take place while you're here at Crossroads. Your presence signifies your consent for Crossroads Church to use your image. Thanks for your cooperation.

marriage moment

"Couples who have developed harmony are not those who are identical in thinking, behavior and attitudes---they are not carbon copies of each other. These couples have learned to take their differences through the process of acceptance, understanding, and eventually, complementation. They have learned to speak one another's language. They have learned the uniqueness of their personalities and how to adjust to each other."
