faith community nursing moment - august 2015

August is considered National Immunization Awareness Month and the Centers for Disease Control (CDC) has some welcome reminders:

- Encourage parents of young children to get recommended immunizations by age two.
- Help parents make sure older children, preteens and teens have received all recommended vaccines by the time they go back to school.
- Remind college students to catch up on immunizations before they move into dormitories.
- Educate adults, including healthcare workers, about vaccines and boosters they may need.
- Educate pregnant women about getting vaccinated to protect newborns from diseases like whooping cough (pertussis).
- Remind everyone that the next flu season is only a few months away.
- If you would like further information, log onto www.cdc.gov and go to immunizations.

All lyrics are presented under compliance with Christian Copyright License ID #927089; Worship services today will be videotaped and posted online for viewing. By entering the worship center, you grant Crossroads Church permission to utilize your appearance, image, voice and likeness in recordings of the service in which you are participating.

- **A special offering will be taken on Sunday, August 16th, to support our Missions Team heading to Haiti from October 3rd - 10th.** The cost per person is \$1,850.00. Plan now to join the effort "that we may be fellow workers for the truth (3 John 8)."

renewal news

Our Prayer Encounter and Prayer Blitz events conclude this month. The final Prayer Encounter will be held on August 12th followed by the next Prayer Blitz being held on August 19th. We hope you'll consider joining us at one or both of these events this month.

Our Sunday morning **Prayer Focus** continues until September 6th in Room 105 / 107 during the morning worship services. These are guided times of prayer centered on the Scriptures and the various attributes of God. Everyone is invited to participate either prior to or following attendance in a worship service.

As our summer's sermon series, "Refreshed by the Greatness of God", concludes this September we will welcome Life Action Ministries to Crossroads. They will lead our church family through the Life Action Summit, September 13th - 20th. The Summit provides a one-of-a-kind opportunity for reconnecting with God and transforming relationships. It's a time to seek God and experience His presence like never before. Check out your bulletin insert today to learn more about the Life Action Summit and the weekly Summit schedule! Please begin to pray for God to move in our midst during the Summit event.

We will celebrate our Great God at an **All-Church Outdoor Celebration Event** at Centennial Park Amphitheater on Saturday, September 26th. We'll kick things off at 3:00 pm and plan to eat at 5:00 pm. We'll celebrate all of the wonderful things God has done in our lives this summer and hear from Pastor Scott as he reflects on his time away on sabbatical. You won't want to miss this time! We'll share more information with you as we get closer to the event.

we need your help...

As we prepare to welcome the Life Action Ministries to Crossroads this September we have several opportunities for you to help out! Crossroads needs to provide transportation and housing for the Life Action team during their stay in Plymouth. If you have a vehicle that the church could borrow for a week OR if you'd be interested in housing some of the Life Action team members, please mark that on your blue connection card today!
