what are community groups?

Community Groups are our small group ministry for adults at Crossroads. It's a place where 8 – 12 adults meet weekly, in someone's home, to develop healthy relationships and engage in God's Word while working to provide care, support, and accountability with one another. They are for adults of all ages, stages of life and spiritual maturity.

Why Community Groups? We want to be disciples who make disciples. We believe that the most effective way to do this is within the context of small groups.

Where do Community Groups meet and how often do they meet? Groups gather together weekly in homes.

What's the format of a Community Group? A typical group meeting will be structured as follows:

- 30 minutes: Social time (snack food is often available; some groups even share a meal together)
- 1 hour: Bible, book, video or curriculum study
- 30 minutes: Prayer requests and prayer

What would be expected of me if I were to join a Community Group? There are three simple things that will help you get the most out of participating in a Community Group...

Show Up = Make a commitment to get connected to your group.

Join In = Participate in the conversation; begin to connect relationally with the people in the group

Be Real = Open up about who you are...who you really are.

How can I join a Community Group? To join a Community Group you simply need to attend our GroupLink Event on October 10th @ 6:00 pm! To register for GroupLink fill out the registration card in the *seat pocket!*

life action summit follow up...

We hope you enjoyed the Life Action Summit Event this past week! God used the Life Action Team to bless our entire church family with a week of worship, a call for personal revival in our lives, and practical life application for both young and old.

If God is calling you to do more in your faith walk, then we'd encourage you to look for ways in which you can get better connected at Crossroads. Perhaps it's time to join a Community Group and begin doing life together with others who desire to grow in their relationship with Christ and with others? Maybe it's time to begin serving on one of our ministry teams? Perhaps you need to get plugged in to one of bible studies being offered or jump in to a 1-2-1 mentorship? If God is challenging you to make some changes then we hope you'll be obedient to His prompting and say "YES to God"!

A huge THANK YOU to those who volunteered their time and / or resources while Life Action was at Crossroads. Because of your generosity you were able to bless not only the Life Action team but our entire church family! Thank you!

faith community nursing

Susie Cook would like to say thank you to all the nurses, EMTs and paramedics who helped with the blood pressure clinics this summer here at Crossroads. Several from Crossroads expressed appreciation for the service. Some new issues were found. Some with known issues discovered they weren't as controlled as they thought, and some were without issue! "As a nurse and one dealing with healthcare regularly, I feel compelled to make you all aware that on average, the overall blood pressure readings were on the high side. So a reminder to all that our health is important, that God wants the best for us and we need to treat our bodies as the God given vessels they are..... that means eating healthy, exercising and drinking plenty of water. Then we can stand before Him and He will be glorified!"
